

**Lisle Staley Stigler** is an experienced classroom teacher who has worked a number of years at the district level on standards based systemic improvement. She has a Ph.D. from UCLA in Psychological Studies in Education with a focus on Learning and Instruction. Lisle was the Director of Research and Evaluation in the Santa Barbara School Districts and has also been a researcher and assessment consultant at the Center for the Study of Evaluation, Standards, and Student Testing at UCLA. She was most recently the Senior Vice President of Design and Development for Pearson Achievement Solutions (originally LessonLab), where she and her colleagues worked with school districts to improve teaching and student learning.
